Dear Parent/Carer,

RE School Transport Taxi Provider

I am writing to notify you that the contract between the Council and the current taxi provider that transports your son/daughter to/from school will be ending on the last day of this term. This is due to the Council's Transport Service changing the way it procures taxi services and does not reflect in any way the performance of the current taxi provider.

The Council will be issuing new contracts for taxi services to begin in the New Year which will end on the last day of the school year and I will write to you again before the Christmas holidays to inform you which taxi service will provide your son/daughter's school transport in the New Year.

Please take this letter as advanced notice that there may be a change in taxi provider in the New Year. Thank you for your understanding.

Yours sincerely,

Shirley Pearson
