

# Healthy Futures Calderdale

Dear Phil

We are delighted to inform you that Whitley AP Academy has achieved the required criteria to be awarded the Calderdale Healthy Schools Bronze Award. This shows that the school has met all criteria of Focus on Mental Health, Physical Activity, Food and Nutrition and Emotional Wellbeing to provide a learning curriculum and environment that promotes health and wellbeing. The Award is valid for two years from date of signature.

Congratulations to all students and staff on this notable achievement. We sincerely hope that, now you have achieved the Bronze Award and seen the steps required to achieve the Silver, the school will be motivated to apply for the Silver Award in due course.

Signed
