Dear Parent / Carer

Re: GCSE Exams and start time for Year 10

Due to the timings of GCSE exams and the need for us as a school to provide high levels of staffing to the Year 11 pupils sitting their exams, pupils in Year 10 will have later than normal start times on the dates noted below:

- Monday 13th May 2024 Year 10 start at 10:50
- Monday 20th May 2024 Year 10 start at 11:30
- Monday 3rd June 2024 Year 10 start at 10:50
- Monday 10th June 2024 Year 10 start at 10:50

There will be an additional school bus run on the days above, to support Year 10 pupils coming to school, details of the timings will be sent via text message the day before each late start.

Yours sincerely
