

Friday 31st January 2025

Dear Parent / Carer

We have been asked by the Director of Public Health and the Director of Children's Services to take part in a local schools health and wellbeing survey.

We will be asking all children in Year 5 and Year 6 to complete an online survey, asking a range of questions about their health and wellbeing. The survey has been developed with input from local head teachers and health professionals, so is suitable for this age group.

The survey will take about 20 to 30 minutes and will be done in school. The survey is confidential, and children aren't asked for their name or any other personal data.

The aim of the Health Needs Assessment is to give an overview of the health and wellbeing of children and young people in Calderdale, which will help services to plan and deliver support in a way that will best meet local needs.

If you have any questions, would like to see a copy of the survey, or do not want your child to take part, please contact the school office by Friday 7th February 2025.

Yours sincerely

Phillip Hannah

Headteacher
