Year 11 Revision Sessions

Please find below a revision / vocational session timetable we are offering to all of our Year 11 pupils. These sessions will be running when there will be no exams for pupils and are optional, however we do expect all pupils to attend the revision session for English and Maths.

We think that these sessions will be of great benefit in preparing the pupils for their summer exams.

If pupils do choose to attend revision sessions, they must attend in full uniform as normal, they will still be expected hand in personal possessions to staff as per our normal routines. Staff will also expect Year 11 pupils to comply with the Academy's Behaviour for Learning Policy.
