## Autumn Term Adventures!

KS3 enjoying bricklaying and bridge building with colleagues from GMI Construction - future builders.

Pupils engaged well with the talk delivered by a colleague from West Yorkshire Fire & Rescue Service, learning about Bonfire Night safety.

There was the inaugural pool fixture against Link Academy in Bradford. A 10-04 win for the Whitley boys, and respectful behaviour from all involved.

Key Stage 3 pupils had a great day at the Science+Media Museum; great behaviour from everyone and lots of learning in the Wonderlab.

Pupils really enjoyed the trip to Leeds United, some found their niche pretending to hold a press conference.

A lovely visit to Halifax Minster for some of our Key Stage 4 pupils, lots of great questions asked by the pupils.

**Your attendance at TWAPA matters!**

Every day at TWAPA counts

As you can see from this selection there has been some great experiential learning taking place during the Autumn Term, with more to come in the Spring Term.

**Don't miss out on all these opportunities!**
