Year 11 Revision Sessions

Please find below a revision session timetable we are offering to all our Year 11 pupils after they go on study leave. These sessions will be running when there will be no exams for pupils.

We think that these sessions will be of great benefit in preparing the pupils for their remaining summer exams after the half term break.

If pupils do choose to attend revision sessions, they must attend in full uniform as normal, they will still be expected hand in personal possessions to staff as per our normal routines. Staff will also expect Year 11 pupils to comply with the Academy's Behaviour for Learning Policy.
